## *Budget Breakdown*

As a general rule of thumb, plan on spending 10-20% of your total wedding budget on decor, including balloon and floral decor for the ceremony and reception. Nothing says “celebrate” like balloons. Use them to set the mood, create a theme, and make lasting memories.

Decor by Wynn Bell, CBA, and Lindy Bell, CBA, Final Touch Balloon Decor, Portland, OR, USA, and Linda Bruce, CBA, Pioneer® Balloon Company; created with the help of Vallery Washington, CBA, Say It With Balloons, Foster City, CA, USA, and Cynthia McWilliams, Butterfly Gifts, Oakland, CA, USA.

## *Balloon Entertainment*

Add personality to your reception and keep young guests busy with balloon entertainment. Balloon twisters supply interactive fun with animals, hats, and more!

Ask your balloon professional if entertainment is offered, or check your local Yellow Pages under “Entertainers.”
